

Dear Cyclist,

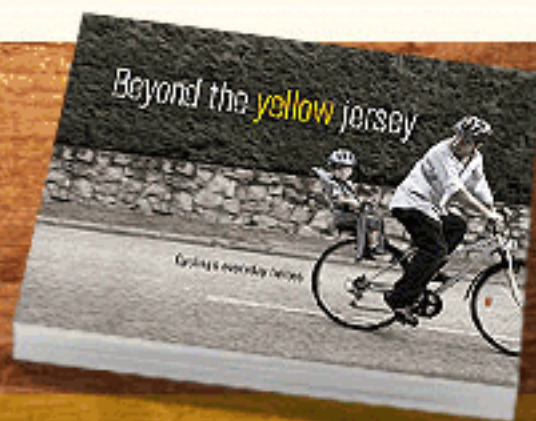

As passionate cyclists we're committed to help raise awareness of road safety issues and initiatives. Which is why, to support the Amy Gillett Foundation, at Body Torque we've decided to turn talk into action.

This comes in the form of the coffee table book *Beyond the yellow jersey*. A limited edition, it will be a photographic celebration of cycling's everyday heroes.

Simply click on the attachment to read more about how you can be part of this unique publication and worthy cause. Corporate sponsorship opportunities are also still available. To discuss these please contact Catherine McKeown on (03) 5256 2431.
